Many different forms of tribute and sentiment are used in the Wall of Fame.

The Keystone School District Education Foundation is an organization that...

- Ensures and increases community and public involvement in our school district.
- Enhances educational and technological opportunities for all students.
- Encourages all Keystone School District Alumni to support the Foundation through annual gifts by class and/or memorials as a way of giving back to the school and community.
- Creates initiatives which support imaginative and creative teaching opportunities of excellence and innovation.
