1. Reviewed and approved the minutes from the April 6, 2022 Athletic Council Meeting.
2. Recommendation to post/advertise for a Varsity Cheer/Competitive Cheer Head Coach.
3. Recommendation to hire Chuck Weaver as a Volunteer Football Coach.
4. Recommendation to hire Bill Irwin as Athletic Director at his current rate for 9 days a month from June, 1, 2022 through June 30, 2023.
5. Redistribution of Assistant Football Coach's salaries. The Junior High Second Assistant Coach was moved to create a new Varsity 3<sup>rd</sup> Assistant Coach Position. Since the salary fell in line with the steps between the other varsity positions, it was decided to keep the same salary, 1, 212.34, and attribute it to the Varsity 3<sup>rd</sup> Assistant.
6. Drainage needs were discussed regarding the baseball field and track. The decision was made to revisit this next year due to the overabundance of moisture that has plagued the area this spring. It would be of benefit to determine if a typical spring season would cause as many drainage issues.
