

Welcome to Keystone Soccer!

The Keystone Soccer Booster organization is in place to support both the boys and girls teams. We raise funds to supplement the financial aspects of both soccer programs and to promote the sport of soccer in the Keystone School District.

The boosters consist of officers, committee members and is open to any member of the community that displays a healthy interest in positively promoting the purpose of the boosters.

The best way to stay informed about soccer events, game changes, team needs and updates are thru e-mails from the boosters (be sure to return the contact information form given to players when they sign up), our Facebook page (ask to join our group - KHS Varsity soccer) the school website and attendance to the booster meetings. It takes support from all parents to make our program a success.

Upcoming Summer Events

UK Elite Skills Camp is an intense weeklong camp to be held from July 27 – 31, 2015. It focuses on teaching the players drills and improving their skills. It is open to players in grades 7-12. Cost is \$100 per player. Registration and a \$50 down payment will be due May 15th. More info and forms will be available soon.

Pittsburgh Riverhounds profession soccer game Aug 1 at 7pm. Tickets will be \$15 each, first priority to players then sold on a first come first serve basis to parents, siblings and friends. Transportation will be carpooling or a leased van if needed. Plan on leaving around 2pm with an anticipated return time of 11pm. We will be tailgating before the game. If we have enough players to split into 2 teams, we are scheduled to play on the stadium field during the Riverhounds half time. Last year everyone had a great time and this trip looks to be better yet. Deadline to reserve tickets is June 1st. Contact an officer for more info.

Horsethief scrimmages against Redbank will be Saturday August 22nd after the parade. Boys are scheduled at 6:30pm to be followed by the Girls at 7:30. The annual fireworks will be set off at dark. This is always a fun night for the players and community.

The current boosters are looking forward to the 2015 season and welcoming in new players and booster members.
