

Sunday, March 11, 2018

Message from Superintendent:

The words "There's a bomb" and "Bombs Away" were discovered this evening in our public event restroom at Keystone Junior-Senior High School. Our facility was used yesterday to host two District 9 playoff games and we believe the words were written at that time. A Pennsylvania State Police (PSP) bomb dog and handler conducted a full sweep of our facility as a precautionary measure. No concerns or issues were detected at Keystone Junior-Senior High School. School will be in session tomorrow, Monday, March 12, 2018.

Sincerely,

Shawn Algoe
