## **KNOX MINISTERIUM COMMUNITY OUTREACH**

Dear Parents/Guardians, Students & Staff:

The Keystone School District is currently working towards providing Child Nutrition Program Meal Services during the mandatory school closure. We are working through regulatory requirements and other mitigation recommendations as we complete the necessary paperwork to initiate services. In this time of confusion and uncertainty, our local Knox Ministerium is eager and willing to support our most vulnerable populations. I've been asked to share the following opportunities, which will connect members of the Keystone School District community with packaged food and supplies:

### **Prepackaged Food/Supplies**

*Where: 512 Main Street, Knox, PA 16232*

*When: Tuesday, March 17, 2020 from 10:00 a.m. to 12:00 p.m.*

*This program is scheduled to continue through the mandated closure of public school buildings and childcare centers.*

### **CARING CUPBOARD**

### **Prepackaged Food/Supplies**

*Where: Edenburg Presbyterian Church, 405 Main Street, Knox, PA 16232*

*When: Thursday, March 19, 2020 from 9:00 a.m. to 12:00 p.m.*

If you are willing to contribute to these worthy initiatives, please feel free to stop at either location during hours of operation or contact Pastor Karen Parsh at 814-881-3266. Your help and consideration would be deeply appreciated. The cornerstones of the Keystone School District community are its people. We must work together as one community to support our most vulnerable populations, in a safe and responsible manner.

Sincerely,

Shawn Algoe, Superintendent
